

MAKING A DIFFERENCE

How UNM Can Help
Develop A World-Class
Education System In
Albuquerque, New Mexico

A World Class Education Means:

- Students who are valued, knowledgeable, and expected to succeed
- Families who are valued, knowledgeable, and supportive
- Educators who are valued, knowledgeable, and supportive
- Schools that are valued, safe, and centers of their communities
- Communities (including business) that are valued, knowledgeable, and supportive

A World Class Education Means:

- Preschools & Kindergartens
- Elementary, Middle, and High Schools
- Higher Education
